Dear Licensed Producer,

Re: Notice of Amendment to the Licensed Producer Supply Agreement for Non-Medical Cannabis - Effective January 1, 2027

You have entered into a Licensed Producer Supply Agreement for Non-Medical Cannabis, as may have been previously amended, ("**Supply Agreement**") with His Majesty the King in right of the Province of British Columbia, as represented by the Administrator of the *Cannabis Distribution Act* (the "**Province**" or the "**LDB**"). Under the Supply Agreement, you agree to sell and the Province agrees to purchase non-medical cannabis products on certain terms and conditions.

This is your notice, pursuant to section 30 of the Supply Agreement, that as of January 1, 2027, the Supply Agreement will be amended. Some of the more significant amendments include:

- Section 13 of Annex A – Central Delivery has been modified to clarify the process for the return and, in some cases, destruction of cannabis products.

- Annex B – Direct Delivery has been modified to clarify LDB's process for calculating the Additional Remittance and the Remittance Funds. It has also been modified for simplicity and to eliminate redundancy with Appendix B2 – Records and Reporting Schedule.

- Appendix B2 – Records and Reporting Schedule has been modified for simplicity and to eliminate redundancy with Annex B – Direct Delivery.

This list is not exhaustive. As with any amendment to an agreement, you should comprehensively review the revised Supply Agreement and seek independent legal advice if necessary. The new version of the Supply Agreement is dated for reference January 1, 2027, and is available for review at: https://www.bcldb.com/bcldb-cannabis-supplier-information

If you have any questions related to the changes to your Supply Agreement, please contact:
Jeff Ring, Director Supply Chain, Cannabis Operations at jeffrey.ring@bcldb.com or 604-420-8241.

Sincerely,

Erin McEwan
Administrator of the *Cannabis Distribution Act*
